## **Greater Nation Arts Collective Expands Local Arts Access with French Website Launch and Franco-Ontarian Country Performance**

*WINCHESTER, August 31, 2026* — The Greater Nation Arts Collective (GNAC) is proud to announce the upcoming launch of its fully bilingual website. Officially debuting on September 18, 2026, this expansion marks a major step forward in the collective's commitment to providing inclusive, high-quality arts programming to the communities of Stormont, Dundas, and Glengarry Counties.

This renewed online presence also sets the stage for welcoming more neighbours to GNAC's in-person activities. Starting in Winter 2027, the collective will introduce its very first French-language community programs with the intent of growing the curriculum hand-in-hand with local families and tailoring activities to what the community wants to see and learn.

To celebrate these milestones, GNAC has partnered with the Railroad Recording Company to co-host Franco-Ontarian country superstars Sugar Crush at the Old Town Hall in Winchester on Friday, September 18, 2026, at 7:30 PM. Everyone is welcome to join for an evening of country celebration where the music warms the heart and gets feet moving!

Tickets are available in advance on the GNAC website ([www.greaternationarts.ca](http://www.greaternationarts.ca)) for \$25 plus a small service fee, or for \$35 at the door.
